THOUSANDS OF VISITORS SEE APPLE BLOOMS

Perfect weather and an abundance of apple blossoms brought thousands of visitors to the orchards of Adams County Sunday afternoon for what John Pitzer, chairman of the Apple Blossom Committee, said was "the biggest and best Apple Blossom Sunday" in the history of the county's apple blossom promotion.

Thousands of automobiles were bumper-to-bumper along Apple Blossom Trail north and west of Biglerville where the orchards were in full bloom. Officials of the fruitgrowers association estimated that at least 30,000 persons visited blossom headquarters at the South Mountain Fairgrounds during the day. Hospitality stands throughout the fruit belt reported extremely heavy traffic. Hundreds of gallons of juice and thousands of fresh apples were distributed to visitors at the booths.

3,200 DINNERS

Lee Fry, president of the Adams County Poultry Federation, said that 3,200 chicken barbecue dinners were served from 11 o'clock to 3 o'clock, when supplies were exhausted. The association served 1,500 chicken dinners at the 1962 Blossom Sunday.

Mrs. Grace Garretson, chairman of the apple dessert buffet, said it was the busiest year in the history of the buffet. She said that the supply of homemade apple desserts was sufficient to take care of the visitors.

Approximately 4,000 persons jammed the horse show ring at the fairgrounds for the crowning ceremonies at which Miss Sonja Beamer, daughter of Mr. and Mrs. Percy Beamer, Aspers R. 1, was acclaimed the 1963 Apple Blossom Queen.

VETERANS MAY JOIN GUARD'S 'TRY ONE' PLAN

The Pennsylvania Army National Guard this week inaugurated a new enlistment program under which men with previous military service are offered a unique opportunity to enlist in a unit for one-year "trial" period rather than the customary two or three-year minimum.

The program is open to men up to 60 years of age who have previous military service, either active duty or in reserve components. Provided there are unit vacancies, they may enlist at the last military rank they held.

Announcement of the new program was made here by Lt. James A. Orndorff, commander of the Howitzer Battery, 2nd Reconnaissance Squadron, 104th Armored Cavalry.

Called "Try One," the program is modeled on a similar plan established by Pennsylvania Air National Guard several months ago.

Army National Guard officials, realizing that a large number of men hesitate to join the Army Guard ranks for a three-year hitch because they are not fully aware of the Guard's opportunities, believe that the "Try One" program will dispel many of their apprehensions.

The Army Guard is hopeful the new program will attract men with considerable experience and

About 125 Knights Templar in plumed hats and carrying swords took part in the procession from Trinity United Church of Christ on S. 200 TAKE PART IN BICYCLE DAY SATURDAY

About 200 youngsters gathered Saturday afternoon at the parking lot between Gettysburg Junior High School and Keefauver school for the "Bicycle Day" held jointly by the Optimist Clubs, Veterans of Foreign Wars and Black Walnut Boy Scout District. Borough police assisted in the program.

One hundred and four boys and girls took part in the riding contest held by the Optimists. One hundred and ten had reflector tape strips placed on their bicycles by the VFW as part of the program.

2 COUNTY MEN ARE JAILED ON GIRL'S CHARGE

Two Adams County men are in the Frederick County jail, Frederick, Md., today charged with rape and assault and battery on a 16-year-old Emmitsburg girl late last Wednesday night near a reservoir in a wooded area off the Hampton Valley Road near Emmitsburg.

Clarence William Stouter, 27, Orrtanna R. 1, and Donald Lloyd Speelman, 26, Biglerville R. 2, were arrested late Friday afternoon by state police from the Gettysburg barracks and were released to Maryland police Friday night. They were identified by the girl who was raped by each man and beaten about the head and body before she was able to escape from the car in which she was held captive for several hours. She suffered lacerations and cuts about the legs in her escape through heavy brush and woods where she hid until morning before making her way back to her home near Emmitsburg.

HAS 3 CHILDREN

Stouter, who is married and the father of three children, was arrested by Sgt. David James, of the Gettysburg substation, Friday afternoon at the Gettysburg Shoe Company where he was employed. Speelman was arrested at the home of an aunt, Biglerville R. 2, where he lives. He is unemployed and single.

The two had gone to the girl's home about 10 o'clock Friday night where they talked with acquaintances who resided nearby, who knew Stouter as "William Hess" and Speelman as "Donald Chapman." However, the girl overheard Speelman call Stouter by his correct name, enabling police to trace him to the Orrtanna area. They were traveling in Speelman's car which was a black 1951 model Ford.

The two men invited the girl to go for a ride with them and suggested they pick up a girl friend. However, when they arrived at the other girl's house the men continued driving toward the reservoir.

FAIRFIELD MAN FIRST ON TRIAL FOR MAY TERM

Trial of George Francis Herring, Fairfield, on a charge of driving while under the influence of intoxicants, was the first case before a jury at the opening of the May term of court this morning.

State Policemen William J. Linker and James J. Hydock and Sgt. David K. James testified to a strong odor of alcohol and actions of Herring which, they said, led them to believe that Herring was under the influence of intoxicants when his car struck a pole in March. Dr. Bruce N. Wolff testified that he found Herring under the influence.

Linker was asked whether Herring's uncooperative actions led to bringing the driving while under the influence charge. Officer Linker testified the lack of cooperation had led to the charge only in that the actions of Herring "made me more certain he was under the influence."

DEFENSE UNDERWAY

The Commonwealth concluded its case this morning. Herring's defense was scheduled to open this afternoon. Members of the jury hearing the case include Herbert L. Blye, (Continued On Page 3)

FOREST FIRES BURN OVER 850 ACRES OF LAND

Fire, which burned over more than 850 acres of mountain land, kept forest crews and firemen in the Michaux District busy over the weekend.

The 850 acres covered by three fires are 246 more than the entire 513.46 acres burned over in the district throughout the entire season last year.

William F. Vanidestine, district forester, said this morning, "We have no idea how many fire companies battled the fires."

The worst of the three fires was on Big Flat Saturday afternoon and evening when 600 acres burned. Fire crews were called about 4 o'clock. The Arendtsville and Bendersville firemen were summoned. At 4:55 p.m. Biglerville was added to the force of fire fighters.

'COPTERS FLY WATER

Dr. Carroll Voss, R. 1, flying water by helicopter from Big Flat, said the fire seemed to travel with tremendous speed, jumped the Shippensburg-Arendtsville Rd. which was being used as a fire lane early in the fight and headed down hill before it could be brought under control about 9 o'clock Saturday night. Dr. Voss said he saw the fire sweep around and over three camps and expected to see them charred masses when the fire had burned itself out. Firemen on the ground, however, had watered down the camps and areas around them and the crown fire passed over

RACES TO STOP DRIFTING CAR

A 125-yard dash in his stocking feet by Stephen Cline, 18, son of Mr. and Mrs. Cecil Kelly, Gettysburg, R. 1, and a Senior at Gettysburg High School, Sunday evening prevented possible injury to two women and two children from Maryland.

Kelly, a part-time employee at the National Museum, was engaged in sweeping the porch Sunday evening at 7:30 o'clock when he heard screams.

Across the parking lot at the museum he saw a car drifting down hill out of the parking lot. Kicking off the loafer-type shoes he was wearing because he feared they would interfere with his running, Kelly dashed after the drifting car.

He leaped into the vehicle and applied the brakes, bringing the vehicle to a stop a few feet short of a 12-foot drop over a wall.

In the rear seat of the car were a girl of about 11 and an elderly woman. In the front seat were a woman and a five-year-old boy. The boy apparently had bumped against the release of the parking brakes and the mother was unable to get to the brakes.

The husband and father of the Maryland family who had been at the museum heard the screams and ran to the scene but his speed had not matched that of Kelly.

PAGEANT WILL BE GIVEN AGAIN

A large cast will repeat this evening at 7:30 o'clock at the East Berlin Elementary School the patriotic and historical pageant which was presented for the first time there on Friday afternoon as the May Day program. Unable to accommodate the crowd for the first performance, the second presentation was decided upon.

The prologue represents the present; the first scene, Plymouth Rock in 1620; the second scene at the home of Betsy Ross in 1776 and the final scene at Gettysburg, Nov. 19, 1863.

Gary Crum is director of the elementary band which will play four patriotic selections at the opening of the program. In the prologue, Donna Lemmon appears as Columbia and Fourth Graders present a flag drill.

In the first scene there are vocal selections by an ensemble and then Fourth, Fifth and Sixth Graders appear as Pilgrims, Indians and with Beth Annerman as accompanist. Principal characters in the scene are played by Mike Heyser, Karen Fridinger, Bonita Howe, Wanda Blevins, Jeffrey Brodbeck, Leon Miller, Gary Denis, William Nace, Jeffrey Innerst, Margaret Ruppert and Linda Firestone.

In the second scene the Third Graders do a minuet, Second Graders sing "Yankee Doodle" and other patriotic numbers. Principals in the scene are Judith Cramer, Gail Wisler, Pamela Eisenhart, Vicki Crook, Steven Cashman, Paul Meliwee, James Miller and Steven Ebersole.

In the final scene Fifth Grade pupils will provide introductory music and Lincoln's Address will be recited. David Eisenhart will represent Lincoln in the final scene. The program ends with the ensemble singing these selections: "Our America," "Wherever This Flag Goes," "Star Spangled Banner" and "Our America."

BOTTLE TOSS COSTS HIM \$25

Robert N. Grella, Long Island, N. Y., picked the wrong time to throw away an empty whiskey bottle Sunday afternoon.

The toss cost him \$25 and costs on a charge of littering before Justice of the Peace John Whitman because officials decided that under the circumstances there wasn't much choice but to "make an example" of the youth and help prevent future throwing of bottles into Marsh Creek at Natural Dam.

The incident began Saturday night when someone threw beer bottles into the creek. Officials in the area have been "cracking down" on such practice for the last year because of the danger from broken bottles to swimmers. Sheriff Dawson Miller and Deputy Oliver Sanders and Guy Seifert Sunday afternoon, in two radio-connected cars, went to Natural Dam to see if they could find the person who threw the beer bottles in the creek the night before, should he return.

Fred Green, chairman of the committee which is developing Natural Dam, came upon two youths and two girls who were picnicking and Green walked over to talk to the group. At that point Grella, in front of the sheriff and deputies and Green, tossed the empty whiskey bottle to the creek. The youth said he was fearful he was in some kind of trouble and wanted to get rid of the bottle.

voir area where they parked in the woods and began molesting the girl. When she protested they threatened her with a gun, although she told police she did not see the weapon. They choked her and beat her with their fists about the head and body and forced her into submission. The men took turns holding her while the other assaulted her. She was able to escape from the front seat of the car about 1 a.m. while the men debated if they should attack her again.

FIND CLOTHING

Police found several articles of the girl's clothing in Speelman's car and found her right shoe under the cupboard in his aunt's kitchen. He had her coat and underwear still in his automobile. Police said that he had agreed to get rid of the clothes "but had not had an opportunity to do so" before he was arrested.

A preliminary hearing was held Saturday before Magistrate Richard McCullough, Emmitsburg, and the men are being held in Frederick County jail under \$10,000 bail. Each is charged with rape and assault and battery for appearance before the grand jury in September, pending their request for an earlier trial.

The case was investigated by Tfc. William F. Davis and Tfc. William Newcomer, of the Maryland State Police.

the structures apparently without damage.

Vanidestine said the fire threatened Camp 18, Old Ironsides and Gypsy Springs camps.

Dr. Voss said, "We dropped 70 gallons of water every five minutes Saturday from 4 to 9 p.m. Sunday we dropped similar quantities from 7 a.m. to 4 p.m. The second large fire, which burned over 250 acres Sunday, was south of Mainville on the Shippensburg side of the mountains and burned eastward and southward "in the direction of Gettysburg."

Dr. Voss said he used the "coppers" from sites on Big Flat and a farm near Shippensburg, one-fourth of a mile from the site of the fire.

Keith Hickman Saturday flew another helicopter owned by Dr. Voss to direct the fire fighting. Chris Staltz, of Coatesville, flew a big twin-engine plane carrying 1,200 gallons of water from the Harrisburg airport, making three trips to fight the blaze Saturday.

COUNTIANS HELP

Arendtsville firemen returned from the Big Flat fire at 9:56 Saturday night. Biglerville firemen returned at 10 o'clock. Berdenville firemen, in another area of the fire, remained on duty and at 12:47 Sunday morning called Cashtown firemen to assist. Both units returned about 4 o'clock Sunday morning.

Vanidestine said fire crews were at the scene of both of the big fires this morning. He said that only 1.3 inches of rain has reached the forest floor in the last five weeks "and despite the new green growth the forests are still a tinderbox. There is no moisture under the leaves and dead material on the forest floor and as a result it burns fast."

The third fire occurred at 4 o'clock Sunday morning on the Huntsdale-Pine Grove Rd. near the intersection with the Ridge Rd. Huntsdale firemen and forest fire crews put out that blaze before it had burned over more than an acre.

JUSTICE CLARK

preme Court for more than four years.

"The lives of the members of the Supreme Court have been described as being 'of unrelenting toil,'" he said. The Court meets in conference at 11 a.m. each Friday during or preceding an argument week, and rarely does it rise before 5:30 p.m. Only the Justices are present at conference.

"All of you know what happens in our courtroom. Many of you are familiar with the details of our schedule calling for argument of counsel during a two-week period, followed by two weeks of recess. Argument sessions run from Monday through Thursday. Each party at argument is allowed one hour, unless by reason of the nature of the question the time is cut in half. On Friday we sit in conference. The period of recess is devoted to opinion writing and the study of appeals and certiorari petitions.

"I wish to emphasize here that the Court does not function by means of committees or panels. Some lawyers think a small committee of Justices passes on their petitions for certiorari. This is not true. Each Justice passes on each petition, each item, no matter how drawn, in longhand, by typewriter, or on a press. Our Constitution, "vests the judicial power in only 'one Supreme Court.'" This does not permit Supreme Court action by committees, panels, or sections. The method that the Justices use in meeting an enormous caseload such as last term varies. There is one uniform rule: Judging is not delegated. Each Justice studies each case in sufficient detail to resolve the question without leaving any doubt in his mind.

COURT OPINION

"After the vote is recorded in argued cases there remains the task of writing the opinion for the Court. At the conclusion of the conference the cases are assigned for writing. The Chief Justice assigns those in which he has voted with the majority and the senior Justice voting with the majority the remainder. This has always been the rule.

"People often ask about the powers and duties of the Chief Justice. While it is not the purpose of this discussion to cover that subject I might say that as to conference matters, aside from the duty of assigning opinions, the Chief Justice has no more authority than other members of the Court. The Chief Justice, of course, presides and initiates discussion, as a general rule, but has only one vote. However, the assignment of opinions is a most important duty. The manner of assignment varies as to courts. In New York State it goes by rotation. In one state, I am told, it goes by chance, while in others by subject matter.

"When one starts to write an opinion for the Supreme Court of the United States he learns the full meaning of the statement of Rufus Choate that "one cannot drop the Greek alphabet to the ground and pick up the Iliad." It takes the most painstaking research and care. Mr. Justice Cardozo was not far wrong when he said, "A Judge must be a historian and prophet all in one." In the average case an opinion requires three weeks work in preparation.

"When the author concludes that he has an unanswerable document, it is printed in the print shop in the Supreme Court building and circulated to each of the Justices. Then the fur begins to fly. Returns come in, some favorable and many otherwise. In controversial cases, and all have some touches of controversy, the process often takes months. The cases are often discussed by the majority both before and after circulation. The final form of the opinion is agreed upon at the Friday conferences. Of course, any Justice may dissent or write his own views on a case. These are likewise circulated long before the opinion of the majority is announced."

CANCER DRIVE NETS \$5,594

Collections in the annual 1963 cancer crusade total \$5,594.41, less than half of the quota set for Adams County, W. Russell Schwartz, crusade chairman, said today. He reported that area captains turned in \$2,993.50 at Friday evening's collection meeting and asked volunteers who have not yet delivered their envelopes may bring them to him at 138 E. Water St. or leave them with Richard Schultz at the Gettysburg National Bank, York St.

The goal for Adams County is \$11,900 for the year and Schwartz said contributions will be accepted for the crusade to September 1. However, he said, volunteer crusade workers will continue this week to contact residents of their areas in an effort to improve the county's record of contributions. Business places, industries, clubs and organizations who have not contributed are advised to send donations to the American Cancer Society, c/o W. R. Schwartz, Gettysburg, Pa.

More than 500 local men and women aided in the Crusade solicitation, Schwartz said. The Gettysburg total to date is \$1,047.90. Mrs. Guyon E. Buehler, chairman, reports, Mrs. John B. Kendlehart, chairman of the Third Ward, has turned in \$5,665; Mrs. J. Kermit Herer, Second Ward chairman, reports \$447.75, and Mrs. Murray Wentz has reported \$84.50 for the First Ward, Second Precinct. \$2,342.72 was received from Gettysburg in last year's crusade.

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times
ONE HUNDRED YEARS AGO

County Superintendent: Yesterday the School Directors of Adams County met in Convention to elect a County Superintendent, in the room of J. C. Ellis Esq. Aaron Sheely, of Mountjoy, was elected on the first ballot, by the following vote: A. Sheely, 59; R. Lytle, 38; P. D. W. Hankey, 3.

The National Fast: On Thursday last, in compliance with the Proclamation of the President of the United States, was very generally observed by our citizens. The services in the Churches were fully attended; and there was by far a more calm and staid observance of the day than has been customary on days set apart for such purposes. It exhibited to us, clearly, that there is amongst the people a sentiment of reverence for the Union, and the "powers that be," which is cheering to the heart of the Patriot; and also so full a recognition of the necessity and duty to seek Divine aid, as to gladden the heart of the Christian.

Daniel Stewart, carpenter, who left this section with the rebel invaders, in September last, in order to "get his rights," under the banners of treason, appears to have succeeded beyond his expectations. At least this is the inference drawn from his unexpected return last week in rather a forlorn condition — and professing his hearty disgust of rebellion. He was promptly arrested and upon making representations of his sincere repentance and joy at escaping from the "lousy chivalry" was permitted to take the oath of allegiance and was released. It took him seven months to get his rights and get back again.

The rebel tax bill is creating a sensation throughout the South. They had dreamed of carrying on the war without money; they expected to compel the North to pay the expenses of the contest and since they find themselves undeceived, they are raising a cry of horror at the prospect of universal ruin. Georgia declines to endorse Confederate bonds, we presume, as preparatory to repudiating the debt altogether, and we shall not be surprised to see that State refuse to pay its proportion of the taxes for the current expenses of the war.

SEVENTY-FIVE YEARS AGO
York Springs Items: The necktie and apron party held at Wolford's Hall last Saturday evening proved to be quite a success. A gentleman on drawing a necktie was to treat the young lady who had the apron that corresponded with his tie. But several gentlemen failed to come to the mark, after they found out who the lady was, which does not show very good conduct on the part of the young men. The proceeds amounted to \$20.00. Mrs. John Harman of this place met with an accident that might have proved serious. He tied his horse to a post and went in to see them making butter at the Latimore Creamery and on returning found his horse had broken the rein. He proceeded to fix the break when the horse took fright and started to run, throwing Mr. H. to the ground, cutting him about the head and bruising him otherwise. The horse was stopped by several men. Mr. H. is able to be up and about again. G. P. Gardner, the champion rat catcher of this place, succeeded in capturing 30 of the pests in one week's time, with several steel traps. Mr. Gardner charges 5 cents a head. Harry J. Lerew, the champion fisherman of the season, captured 50 of the finny tribe on last Saturday evening. Mr. Gil Emmert sports a very fine set of rubber mounted harness. He now has the finest driving outfit in town. Rev. J. C. Barr has accepted a call for one fourth of his time from the York Springs Presby-

THE ROCKY WAY

There is no more important task in this world for you than the education of your will.

And there is no method better or sounder than to realize early in life that the easy way is the most destructive way — always. A muscle must have opposition if it would be strong and fit. The prizefighter engages other prize fighters to give him hard knocks in training so that he will be prepared to face what may be no soft job in the ring.

We must all face the distasteful and the painful quite often if we would be ready for the emergency that may try our very souls.

He who treads the "soft snags" himself is sure to snap very early in the game — for the game won't last but a short while for him.

"Teddy" Roosevelt preached — and practiced — the "strenuous life." It is the only life that wraps happiness within its arms.

The trouble with present day educational systems is largely due to the ease with which they turn out students. The laboring man wants easier hours and the ordinary employee wants to know first what he or she is going to get out of his or her position in salary.

It is the exceptional man who is interested primarily in doing the thing at hand better than it has ever been done before.

The rocky way is the way over which the gods of success leads the conqueror!

The living of the simple life, with plain, nourishing food, and the will to go the route necessary to win, is what assures the winner — all in advance.

I wonder how many Lincoln and Webster boys there are today who would walk 10 miles to get a book to read!

Builders of nations know the rocky way.

TEMPER

When I have lost my temper I have lost my reason too. I'm never proud of anything which angers I do.

When I have talked in anger and my cheeks were flaming red I have always uttered something which I wish I hadn't said.

In anger I have never done a kindly deed or wise, But many things for which I felt I should apologize.

In looking back across my life and all I've lost or made, I can't recall a single time when fury ever paid.

I have waked up many a morning and I've shuddered to review My trail of deeds regrettable no gentleman would do.

I've gained nothing to my credit, when my fits of temper end, But I've often gained an enemy, and sometimes lost a friend.

So I struggle to be patient, for I've reached a wiser age, I do not want to do a thing or speak a word in rage.

I have learned by sad experience that when my temper flies I never do a worthy deed, a decent deed or wise.

Bases On Balls Give Bullets 7-6 Victory Over Lehigh Saturday

Scoring three times in the bottom of the seventh inning on five walks, the Gettysburg College baseball team squeezed out a 7-6 win over Lehigh Saturday afternoon in a Middle Atlantic Conference encounter before a large Mother's Weekend crowd.

Ted Koerner started things rolling in the seventh with a leadoff single to left of starter Ed Winchester. Reliever Ben Rushong then came in a walked Howie Gerken and Dick Taylor to load the sacks. Two more free passes to Pete Wolynec and Jim Riccobono sent Koerner and Gerken home. Jerry Robertson then drove in the winning run with a long sacrifice fly to right scoring Dick Taylor.

Lehigh took a short 6-4 lead in the top of the seventh. With two outs and Ed Winchester on base, third sacker Fred Braun smashed a homerun to left-center.

LEAD SEE-SAWS

Prior to the seventh, the contest sea-sawed. Both teams scored in the first inning and Lehigh came back with a run in the top of the third. The Bullets added two tallies in the bottom of the fourth and Lehigh sent in a run in the fifth. Both teams crossed the plate once in the sixth.

The hits were evenly distributed among the players from both squads. Ted Koerner, running into trouble on several occasions, managed to go the distance and capture his fourth win against three setbacks. Ed Winchester started for the Engineers with loser Ben Rushong coming on in the seventh.

Gettysburg, 7-6 overall and 3-3 in the MAC, will travel to Lewisburg on Tuesday to meet Bucknell. Lehigh is 6-5 on the season and 2-3 in the conference.

The Franklin and Marshall tennis team remained undefeated in 11 matches this season by downing a game and fighting Gettysburg squad 6-3 Saturday afternoon in Gettysburg before a Mother's Weekend crowd.

Despite the setback, the showing was one of the best turned in by the Bullets this season. Sophomore Lincoln Anderson battled Howie Rockette for two hours and 20 minutes before dropping a three set encounter 6-8, 6-3, 4-6. On the other hand, fourth man Wayne Streitz captured his more than two-hour clash with Mike Romer in three sets 6-2, 4-6, 7-5.

Gettysburg's Jim Walker proved why he remains undefeated from his number two singles spot as he turned back Doug Paul in straight sets, 6-3, 7-5. Walker and Streitz teamed to give the Bullets their lone point in the doubles. The Gettysburg pair has now gone through nine matches, dropping but one.

Coach Bob Hulton's netmen will entertain Lehigh, Tuesday afternoon in another MAC clash.

First Phila. Win by Colts

PHILADELPHIA (AP) — The Houston Colt 45s owned their first National League victory in Connie Mack Stadium today as a result of a Sunday doubleheader split with the Philadelphia Phillies.

The Phillies came from five runs behind in the first game to win it 6-5 in the ninth inning. But the Colt 45s bounced back in the second game 6-2.

In the first game the Phillies were trailing 5-4 in the ninth inning, when Colt 45s Rusby Staub hit Bobby Wine's hit sail over his head. Wine wound up on third base. Don Demeter walked and Tony Taylor singled in Wine with the tying score. Wayne Graham then hit a ball just in front of the plate. Pitcher Hal Woodeshick tossed the ball to catcher John Bateman but Demeter's hard slide kicked the ball free and the Phillies won.

In the nightcap, the Colt 45s' Dick Farrell held the Phillies to seven hits, while the Texans were gathering 2 runs in the third, single runs in the fourth and sixth and two more in the eighth.

The Dodgers managed their second victory in their last eight games on a three-run homer by pinch hitter Lee Walls off Harvey Haddix's first pitch in the ninth. Ron Perranoski was the winner on relief over Vern Law, making his first start since his recall from the minors.

Don Demeter knocked the first game out of the Colts' group when he slid into rookie catcher John Bateman and knocked the ball out of his hands to score the winning run in the opener at Philadelphia. Dick Farrell evened matters with a seven-hit in the second game. After it was all over, the Phils' Wes Covington was leading the league at .383.

Little Signs for Pro Ball

The Harrisburg Capitols of the Atlantic Coast Football League have announced the signing of Gettysburg's Earl Little to a player contract for the 1963 season.

Little, a 6' 1", 190-pound quarterback, was a standout performer at Gettysburg High School from 1954 to 1958, and was one of the finest quarterbacks in the now defunct South Penn Conference.

Upon graduation from high school, he received many offers from various colleges, but chose to attend Gettysburg College from where he graduated in 1962. He led the Bullets to some great football victories with his excellent ball handling, pin-point passing and sure-footed kicking ability. He is now backfield coach at Gettysburg High School.

Art DeCarlo, former Baltimore Colts star and head coach of the "Caps," was quite pleased with the signing of Little and said he would be given every opportunity to become the number one quarterback for the Harrisburg Pros.

"I've heard some real good reports on this boy," said DeCarlo, "and with a 100 per cent effort on his part, he could very well develop into one of the finest

quartbacks in our league," he concluded.

Causey doesn't pretend to fit a hero's mold.

"Heck," the 26-year-old infielder said with a grin and a soft Southern drawl, "people don't even recognize me on the street down in Monroe."

His hometown is Monroe, La., where he signed for a \$30,000 bonus with the Baltimore Orioles at the age of 18 and promptly gave a title of \$3,000 to his church.

CUBS WIN SIX IN LAST SEVEN; PIRATES BOW

By JACK HAND

Associated Press Sports Writer

It seems only yesterday that the Chicago Cubs were the biggest laugh in baseball. Everybody made snide remarks about the revolving coach system and the school of baseball knowledge.

When Phil Wrigley appointed an athletic director, it was suggested he try for an Ivy League schedule.

Something strange has happened. The Cubs aren't funny any more. Whether it's head coach Bob Kennedy, the athletic director or the weather, the little Cubbies are big boys now. They are hanging in there in fourth place, only two games off the pace in the National League. When they beat Milwaukee Sunday 3-2 it was their sixth victory in their last seven starts.

A couple of players picked up from other clubs did the job Sunday. Merritt Ranew, once a Brave and more recently a Houston Colt, hit a homer and single and drove in two runs. Lindy McDaniel, a Cardinal last year, came in to complete the feat of saving every game in the three-game series.

GIANTS SPLIT

While the Cubs were edging up, the leaders were faltering. Pittsburgh remained in first place by four percentage points, despite a 7-3 defeat by Los Angeles. San Francisco hopped into the lead momentarily by beating the New York Mets 6-3 at the Polo Grounds only to drop back when they lost the second game 4-2 before 53,890, the season's largest crowd. St. Louis also muffed a chance to climb when they lost the opener to Cincinnati 5-4 and had to come up with four runs in the 10th to salvage the second game 7-4.

In the other National League action, Houston finally won a game from the Phillies when they took the second 6-2 after bowing in the opener 6-5.

Cal Koonce was the Cubs' winner with help from Jim Brewer and McDaniel. Lou Brock had three of the six hits off three Brave pitchers. Ranew started the scoring with a 420-foot homer, his first, in the third inning and drove in Ron Santo with a third-inning single.

WILLEY ENDS STREAK

The big crowd at the Polo Grounds finally got a chance to cheer when Carl Willey snapped the Giants' six-game winning string in the second game with a seven-hit. Willie Mays' three-run homer in the first and Felipe Alou's two-run blast in the fourth beat Galen Cisco in the opener.

The three-day series drew 123,985, boosting the ninth-place Mets' total to 235,004 for 10 home dates.

Jim O'Toole became the majors' first six-game winner in the opener against the Cardinals although he gave up 12 hits and left the game with none out in the seventh. Gene Oliver's two-run homer climaxed the Cards' four-run outburst in the 10th inning of the second game after an error by relief man Bill Henry opened the doors.

TWO MORE BALKS

Jim Owens of the Reds was charged with two more balks as the National League umpires continued to call balks despite the instructions from President Warren Giles to take it easy. They now have called a total of 96, including five Sunday, to only nine in the American League.

The Dodgers managed their second victory in their last eight games on a three-run homer by pinch hitter Lee Walls off Harvey Haddix's first pitch in the ninth. Ron Perranoski was the winner on relief over Vern Law, making his first start since his recall from the minors.

Don Demeter knocked the first game out of the Colts' group when he slid into rookie catcher John Bateman and knocked the ball out of his hands to score the winning run in the opener at Philadelphia. D. LAWRENCE
HITS CHARGES
BY SCRANTON

HARRISBURG (AP) — Former Gov. David L. Lawrence says his successor's recent statewide broadcast calling for support of new taxes was "a radio-and-television soap-box opera tax appeal."

In a statement released over the weekend by the Democratic State Committee, Lawrence said:

"I cannot continue to remain silent in the light of his (Gov. Scranton's) untruthful words and hypocritical actions."

Lawrence, a Democrat, thus ended his silence on the policies of the Republican administration which took office last Jan. 15.

"EXAGGERATED, DISTORTED"

Lawrence currently is serving in Washington, D.C., as chairman and executive director of the President's Committee on Equal Opportunity in Housing.

Scranton went on radio and television last Wednesday to rally support for his plan to raise \$139 million by a boost in the sales tax and in the cigarette tax. He blamed the state's fiscal plight on the administration of his predecessor.

Denying Scranton's allegation of "fiscal trickery," Lawrence said Scranton used a "typical Madison Avenue style with exaggeration and distortion."

TO ANSWER ON AIR

Lawrence said his administration ended the 1961-62 fiscal year with a surplus of more than \$16 million, part of which went to public schools and Pennsylvania State University.

"Approximately \$4 million is still in the state coffers in Harrisburg," he said.

"If the fiscal year had ended Jan. 15 when I left office," he said, "there would have been a surplus of approximately \$10 million."

Lawrence said the Democrats would respond to Scranton's remarks on a similar radio-television presentation.

Bury Dickie Kerr
Hero Of Scandals

HOUSTON (AP)—Funeral services were to be held today for Dickie Kerr, the little left-handed pitcher who won lasting fame as the honest hero of the Chicago Black Sox scandal.

Kerr died Saturday of cancer. He was 69 and had spent most of his adult life in baseball as a player, manager and scout.

Hall of Famer Ted Lyons and American League President Joe Cronin were among the many baseball figures and friends who paid tribute to Kerr.

BUSY AGENDA
FOR CONGRESS
FOR THIS WEEK

By WILLIAM F. ARBOGAST

WASHINGTON (AP) — Bills

dealing with the national debt, the pay of military personnel, congressional junketing and postal service will keep Congress somewhat busier than usual this week.

All but the postal measure are on the House docket. That bill will give the taxpayers their first chance of 1963 to see if the Senate follows its usual practice of restoring appropriation cuts made by the House.

The \$6-billion measure finances the Treasury and Post Office departments for the coming fiscal year. The House cut close to \$150 million from funds requested by President Kennedy, almost half of the cut being in allotments for the Post Office Department's operations budget.

TO RESTORE CUTS

The Senate Appropriations Committee has voted to put back \$77 million of the money denied by the House, and the Senate is expected to follow the committee's recommendations.

No other major measures are on the Senate calendar for the week, but a House-passed feed grains bill may be readied for action late in the week.

The House starts its week today by considering several minor measures. Tuesday it plans to send to the Senate a bill that would put standard government personnel expense ceilings on the expense accounts of congressmen who travel abroad. Indications are that the Senate may not take too kindly to the proposal.

The perennial bill authorizing a temporary hike in the national debt ceiling and a measure to raise the pay of military personnel about \$1 billion a year round out the House program except for several non-controversial bills.

SIX RETARDED CHILDREN DIE IN FIRE IN IND.

ROCKVILLE, Ind. (AP)—Six of eleven youngsters in a home for retarded children suffered fatal burns Friday night as flames from burning clothes in an electric dryer spread through the 75-year-old building.

Five died in the fire, and a sixth died of burns early today. Five others also suffered burns as volunteers and firemen carried them out of the Johnson Home for the Retarded. One escaped unharmed.

"Those children didn't have a chance," one fireman said.

The youngsters were so severely handicapped, both physically and mentally that they were unable to act independently. One dead child had only one arm and one leg.

AGE 3 TO 8

Fireman Bill Early said the real pity was that had they been normal children most, probably all, could have escaped alive.

The dead, all from Indiana, were identified as Muriel Johnson, 3, Gary; Pamela Taylor, 10, Indianapolis; Bryant Smith, 8, South Bend; George Spurgeon, 6, Columbus; Linda Landrigan, 5, Greenwood; and Tamara Wallace, 5, Indianapolis.

The Wallace girl died early today in Vermillion County Hospital at Clinton.

Reported in fairly good condition in the hospital were Clarence Foley, 7, Columbus; Patsy Jones, 4, Gary; David McCausey, 5, from Illinois; and Jerry Roy Day, 6, from Vanderburgh County, Ind.

Rockefellers Honeymoon At His Venezuelan Ranch; Political Future Debated

By RICHARD G. MASSOCK

CARACAS, Venezuela (AP)—Gov. Nelson A. Rockefeller and his bride honeymooned today amid the idyllic beauty of his Venezuelan mountaintop ranch while debate continued back home on the effect of the marriage on his political future.

Rockefeller and his bride, the former Margaretta Fidler Murphy, arrived Sunday at his 1,235-acre Monte Sacro ranch about 110 miles southwest of Caracas.

The smiling couple flew to the honeymoon retreat by private plane after arriving in Caracas from New York on a commercial airliner. The New York governor said they expect to remain in Venezuela about two weeks.

RICE SHOWER

It was drizzling when they landed and a shower of rice greeted the newlyweds as they stepped out of the plane.

Chatting in Spanish with newsmen, Rockefeller predicted his second marriage will be blissful. He said they decided to spend

their honeymoon here "because we love Venezuela."

The governor, 54, and his bride, an attractive woman of 36, stood atop a wing of their private plane for the brief news conference.

Rockefeller, considered a leading candidate for the 1964 Republican presidential nomination, brushed aside questions about his political future.

BRUSHES POLITICS

He showed the same reticence as he left New York's Idlewild Airport telling newsmen there:

"I know you would like to discuss politics with me, but I don't think this is the time or the place. There will be plenty of chances for the subject and decisions at another time."

Political circles in the United States were divided over the effect the marriage will have on Rockefeller's career.

Some felt the romance was an act of political suicide for the governor. They noted that no divorced man has won the presidency of the United States.

BOTH DIVORCED

Rockefeller was divorced March 16, 1962, after 31 years of marriage, by Mary Tudhunter Clark Rockefeller, 55, like her successor a product of Philadelphia society. The couple had five children, but one son, Michael, was lost on an expedition near the New Guinea coast shortly after the governor and his wife separated.

Mrs. Murphy obtained a divorce in Idaho on April 1 from Dr. James S. Murphy, 41, a medical researcher for the Rockefeller Institute. They have four children, aged 3 to 12.

Passengers accompanying the Rockefellers on the flight from New York said they held hands for a while after a steak and champagne lunch. They read New York newspaper accounts of their wedding Saturday at the Rockefeller family estate in Pocantico Hills, in New York's Westchester County, and exchanged comments on photographs of them.

SHORTS STORY. A lovely writes: Shorts are my problem. I hate wearing them because of my bulging knees—bulges on the inner sides. Is there a reducing exercise for this trouble?

The answer: Exercise is the only solution to knee "pads." Designed to trim the inner curve, the following routines bring quick results:

1. Lie flat on your back, with the knees bent and feet resting on the floor; draw your heels back close to the hips. Now slap the knees together, so as to give those pads a good spanking. Work for speed, rhythm and force—a persuasive but not bruising force. Perform 50 to 100 counts daily.

Incidentally, the routine is also

excellent for contouring the inner thighline.

2. (For this you need a rolling pin.) Sit on the floor and swing the right leg across the left, so that your weight rests on the left hip; lean on your left elbow for balance. Place the rolling pin under the right knee. By bending and straightening the knee—just a little—massage the bulge with the pin. Continue for one minute, always trying for increased pressure. Then reverse your position and give the left leg the same workout.

Used in combination, the routines achieve ideal contours. The first one reduces the flesh and the second firms the line.

LEGLINE TRIMMERS

If your individual problem is heavy legs, send for my new leaflet, **LEGLINE TRIMMERS**, which contains spot reducing exercises that will meet your individual needs, whether for thighs, knees, calves or ankles or for contouring your entire legline. STATE TO MARK HIGHWAY WEEK

HARRISBURG—Governor William W. Scranton today proclaimed the period of May 26 to June 1 as Pennsylvania Highway Week and urged all Pennsylvanians to observe with appropriate exercises.

He signed the proclamation in the presence of Secretary of Highways Henry D. Harral, Chief Deputy Wilbur C. Webb, Edwin W. In his proclamation, Governor Scranton said that a considerable portion of the Commonwealth's resources are devoted to planning, the state highway system and construction and maintenance of that future progress of Pennsylvania is "inseparably tied" to progress in developing the system.

He pointed out that Pennsylvania's highways are essential in bringing greater prosperity to all parts of the state and stressed the importance of the people in understanding and supporting efforts to continually improve the state highway system.

2 TRAGEDIES CAST GLOOM ON ALGERIAN TRIP

By ANDREW BOROWIEC

ALGIERS (AP)—The death of Algeria's foreign minister and the worst Nile River tragedy in modern history cast gloom today over the triumphal visit to Algeria of President Gamal Abdel Nasser of the United Arab Republic.

Festivities in Nasser's honor were called off as the Algerian government proclaimed a day of national mourning for Mohamed Khemisti, 33, died Sunday, 24 days after a fanatic assassin fired a bullet into his head.

216 DROWN

Egyptian villagers mourned 216 people who drowned Saturday when an overloaded ferry capsized near Maghagha, on the Upper Nile.

Authorities said 90 bodies were recovered and another 126 people, mostly women and children, were missing. The tragedy was the worst on the Nile since a steamer sank near Cairo in 1912, killing 200.

A political split in Syria also clouded Nasser's mission to drum up Algerian support for Arab unity.

Nasser would like to include Algeria in the new United Arab Republic which Egypt, Syria and Iraq have agreed to form next September. But the Ba'ath Socialists froze pro-Nasser elements out of the Syrian government last week, and there is general doubt that Nasser will join with Syria if it is dominated by the Ba'athists.

DANGEROUS THREAT

Cairo newspapers carried a statement from Nasser's government Sunday that the Syrian split is a dangerous threat to the Arab cause.

Although Algerian crowds hailed Nasser as "El Rais" (The Chief) on his triumphant arrival here Saturday, Khemisti's death served as a grim reminder of the difficulties in the path of Arab unity.

Khemisti was shot shortly after he returned from the Middle East, which he criticized to friends and newsmen. He did not hide that he preferred cooperation with France for his country.

LONDON (AP)—Per Jacobsson, national monetary fund and noted Swedish economist, died Sunday of a heart attack. He had been director of the fund since 1956 and also was board chairman. Jacobsson, who was born in Tanum, Sweden, lived in Washington.

DEATH CLAIMS MONTY WOOLLEY

ALBANY, N.Y. (AP)—Veteran stage and screen actor Monty Woolley died early today at Albany Medical Center Hospital. He had been in declining health in recent months.

Woolley, 74, whose trademark was a neatly trimmed white beard and mustache, had lived for many years in nearby Saratoga Springs. He had spent much of his boyhood in the resort city and considered it his home town.

He was admitted to Saratoga Hospital April 6, suffering from a heart ailment, and was transferred to the Albany hospital April 8.

The actor, often called "The Beard," probably was best known for his portrayal of Sheridan Whiteside, the lead role in "The Man Who Came to Dinner."

Woolley originated the role on Broadway, where the comedy ran for two years, and later starred in the film version of the play.

ARRESTED FOR BANK ROBBERY

HARRISBURG (AP)—A hearing was set today for Edward J. Fitzgerald, 31, of Newark, N.J., charged with a \$1,485 bank hold-up.

The hearing was to be held before Alderman John L. Madden Jr.

Fitzgerald was arrested early Sunday. Police said they found in his downtown hotel room a gun and \$1,000 in \$10 and \$20 bills.

He was charged with armed robbery and violation of the uniform firearms code in connection with the holdup of the Citizens Trust Bank here. The bank is a branch of the National Bank and Trust Co. of Central Pennsylvania.

A cashier, Mrs. Carol Smith, told police following the robbery Thursday that the gunman carried a revolver in a brief case. She described him as tall and neatly dressed.

Stuffed eggs are positively glamorous when they are tricked out with canned shrimp. Adding capers helps the glamorizing process, too.

COMMUNITY PRIZES GIVEN BY PA. C.C.

HARRISBURG (AP)—The Pennsylvania State Chamber of Commerce announced Sunday 35 winners of prizes totaling \$20,000 in the 1962 Pennsylvania community development contest.

The chamber said many of the winning communities would share in about \$20,000 in added matching awards offered by business concerns in their home regions.

There were no repeaters from the previous year among the five first-place winners. Greensburg, however, moved up from second place to first in Class A competition, and Milford moved from fifth to first in Class E.

OTHER WINNERS

Other first place winners were New Kensington, Class B; Scottsdale, Class C, and Ligonier, Class D.

Checks will be presented to the sponsoring organizations in each winning community during June, which has been proclaimed by Gov. Scranton as community development month. The prize money, awarded for superior improvement projects, will be put back into additional community enterprises under a contest stipulation.

The chamber said Scranton would greet representatives of the winning communities Thursday morning (10:30 a.m.) in the Governor's reception room at the Capitol.

The winning communities, chosen by a panel of judges, are in five population classes with seven identical cash awards in each class.

The prizes are: \$1,500 for first place; \$1,000, second; \$500, third; \$400, fourth; \$300, fifth; \$200, sixth, and \$100, seventh.

FIND LOST BOYS IN CLOSED MINE

PITTSBURGH (AP)—Two shirts led to the discovery early Sunday of two boys who were lost for 13 hours in an abandoned coal mine in nearby Collier Twp.

Frank Bacu, 13, and Robert Whitesell, 14, both of Collier Twp., had taken off their shirts before entering the mine Saturday. They got lost after their torch went out. "We prayed and hoped to God we'd get out," Bacu said. "We couldn't see any light at all when the torch went out so we just sat down and waited."

"We slapped ourselves to keep warm," Whitesell added. "We were pretty sure someone would find us."

Mine inspectors, township police, some 50 soldiers from a Nike missile site, neighbors and the fathers of the boys hunted for the teen-agers for two hours before the shirts were found outside the mine entrance.

Three inspectors soon discovered the boys huddled together about 450 feet from the entrance of the mine that has been closed for some 30 years.

WED AT 90 AND 77

UNION CITY, Pa. (AP)—Ninety-year-old James Humes and 77-year-old Effie Beatty are husband and wife.

Their courtship started in January and they were married Saturday.

"I was shocked when he proposed to me," said the bride, "but not too shocked to say yes."

LEGISLATOR DIES

PITTSBURGH (AP)—Funeral services will be held in nearby Clairton Tuesday for State Rep. David M. Boies, a member of the General Assembly since 1936.

Dr. Boies, a Democrat, died at Magee Hospital late Friday night. He had been ill for four months.
